The original owners of this property have already purchased in Queensland and this is your chance to get your foot in their door!

Set on 930 square metres, this property enjoys **no strata fees**, unrivaled privacy, virtually a 6 star energy efficiency rating and way too many features to waffle on about here; though we should mention this home, comprising over 55 squares in total, also contains a huge home office with CAT 6 data cabling, also to all bedrooms & living areas. Tell your boss that you will not be in today!

Rather than waffling on, we feel that a picture says a thousand words and we trust that you will agree!

Suffice to say that it is our opinion this is arguably the finest property in the district; however we will let you be the judge!

Regrettably with current covid restrictions; inspections will be difficult to arrange for every single prospective buyer / enquiry; and as you can see, this property is not entry level buying!

Therefore we ask you to provide as much information to us regarding your requirements & your likely budget for this property in any subsequent correspondence with us, in order for us to be able to arrange / escalate a private inspection for you.

Auction **on line** Saturday 31st July, 2021 @ 4pm & will be live streamed!
